

ARTICLE X PROCEEDINGS

APPROVED PROJECTS

- Case 97-F-1563 - Athens Generating Company, L.P. - 1,080 megawatt natural gas-fired combined cycle combustion turbine generating plant, in the Town of Athens, Greene County. Approved by Siting Board - June 15, 2000; Petition to transfer Certificate filed April 16, 2003.
- Case 97-F-2162 - PSEG Power New York – Bethlehem Energy Center - 750 MW combined-cycle electric generating facility in the Town of Glenmont, Albany County. Approved by Siting Board - February 28, 2002.
- Case 99-F-1191 - Astoria Energy, LLC – 1,000 MW generating facility in the Astoria section of Queens County. Approved by Siting Board - November 21, 2001.
- Case 99-F-1314 - Con Edison - Repower its East River Generating Station located in the Borough of Manhattan, New York City. Approved by Siting Board August 30, 2001; Order Granting Rehearing In Part issued January 24, 2002; Order on Rehearing issued April 18, 2002; Certificate Amendment approved January 16, 2003.
- Case 99-F-1625 - KeySpan Energy - Ravenswood Generating Station - 250 MW cogeneration, combustion turbine electric generating facility Long Island City. Approved by Siting Board - September 7, 2001; Amendment granted July 23, 2002.
- Case 99-F-1164 - Mirant Bowline – Bowline Unit 3 - 750 MW generating facility in the Town of Haverstraw, Rockland County. Approved by Siting Board - March 26, 2002; Rehearing sought April 29, 2002; Rehearing Dismissed July 24, 2002; Requests to revise or modify certificate denied on October 22, 2002.
- Case 00-F-0566 Brookhaven Energy - 580 MW electric generating plant in the Town of Brookhaven. Approved by Siting Board – August 14, 2002; Rehearing sought September 11, 2002; Rehearing petition denied, clarification petition granted on October 24, 2002; Petition to amend certificate filed January 28, 2003.
- Case 99-F-1627 - New York Power Authority-Charles Poletti Power Project-500 MW generating facility in Astoria, Borough of Queens. Approved by Siting Board – October 2, 2002; Petition to amend Certificate filed May 22, 2003.
- Case 00-F-1256 Calpine Construction-Wawayanda Energy Center-540 MW electric generating plant in the Town of Wawayanda. Approved by Siting Board – October 22, 2002.
- Case 01-F-0761 KeySpan Energy Development Corporation-Spagnoli Road Energy Center-250 MW electric generating plant in the Town of Huntington, Suffolk County. Approved by Siting Board – May 8, 2003; Rehearing sought June 10, 2003.
- Case 00-F-1522 Astoria Generating Company, LP-Orion Astoria Generating Station in the Borough of Queens, New York City. Approved by the Siting Board – June 25, 2003.

WITHDRAWN PROJECTS

- Case 98-F-1885 - Sithe Energies – Torne Valley Station – 1,100 MW gas-fired, combined-cycle generating plant in the Town of Ramapo, Rockland County. Withdrawn by letter dated 12/14/01.
- Case 99-F-0558 - Heritage Power, LLC - 800 MW natural gas fired generating facility in the Town of Scriba, Oswego County. Approved by Siting Board - January 19, 2001; cancelled by letter filed June 19, 2002.
- Case 98-F-1968 - American National Power's Ramapo Energy Project – 1,100 MW natural gas-fired combined-cycle combustion turbine generating plant in the Town of Ramapo, Rockland County. Withdrawn by letter dated 9/5/02.

PENDING PROJECTS

- Case 99-F-0478 - Application by Sunset Energy Fleet, LLC for a Certificate of Environmental Compatibility and Public Need to Construct and Operate a 520 MW electric generating facility in Sunset Park, Brooklyn, New York. (Status: Pre-application report filed April 5, 1999; Application filed July 26, 2000; Non-compliance letter w/PSL §164(1) issued September 25, 2000; Supplemental filing on December 27, 2002).
- Case 99-F-0961 - Application by Twin Tier Power, LLC for a Certificate of Environmental Compatibility and Public Need to Construct and Operate a 520 MW, combined-cycle, gas-fired electric generating facility in the Town of Nichols, Tioga County. (Status: Pre-application report filed July 19, 1999).
- Case 99-F-1295 - Application by Haverstraw Bay, LLC for a Certificate of Environmental Compatibility and Public Need to Construct and Operate the Grassy Point Energy Project, a 550 MW natural gas-fired combined cycle electric generating facility in the Town of Haverstraw, Rockland County. (Status: Pre-application report filed September 24, 1999).
- Case 99-F-1835 Application by Glenville Energy Park, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 520 mw gas-fired, combined cycle in the Scotia-Glenville Industrial Park, Schenectady County. (Status: Preliminary Scoping Statement filed December 29, 1999; Application filed January 31, 2002; Supplemental filing on March 22, 2002; Compliance letter w/PSL §164(1) issued April 8, 2002).
- Case 00-F-1133 Application by Oak Point, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 1,075 MW generating facility in the Bronx. (Status: Preliminary Scoping Statement filed July 5, 2000).
- Case 00-F-1356 Application by PPL Kings Park, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 600 MW Simple-Cycle generating facility in the Town of Smithtown, Suffolk County. (Status: Preliminary Scoping Statement filed August 10, 2000; Revised Preliminary Scoping Statement filed December 20, 2000; Application filed January 22, 2002; Supplemental filings on March 25, 2002, April 22, 2002; Amendment petition filed July 3, 2003; Compliance letter w/PSL §164(1) issued March 22, 2002).

PENDING PROJECTS (cont'd)

- Case 00-F-1391 Application by Caithness Energy, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 750 MW Natural Gas Fueled combined cycle electric generating facility in the Town of Brookhaven, Suffolk County. (Status: Preliminary Scoping Statement filed August 17, 2000).
- Case 00-F-2057 Application by Besicorp-Empire Development Company, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 510 MW, combined cycle cogeneration plant in the City of Rensselaer, Rensselaer County. (Status: Preapplication report filed November 22, 2000; Application filed December 20, 2001; supplemented May 9, 2002; Non-compliance letter w/PSL §164(1) issued February 15, 2002; Compliance letter w/PSL §164(1) issued May 28, 2002; Settlement Agreement filed June 18, 2003).
- Case 01-F-1276 Application by TransGas Energy Systems, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 1,100 MW generating facility in the Borough of Brooklyn. (Status: Preliminary Scoping Statement filed September 17, 2001; Application filed December 24, 2002; supplemented April 4, 2003; Non-compliance letter w/PSL §164(1) issued February 24, 2003; Compliance letter w/PSL §164(1) issued June 5, 2003).
- Case 02-F-0342 Application by Entergy Indian Point Peaking Facility, LLC for a Certificate of Environmental Compatibility and Public Need to construct and operate a 330 MW simple-cycle electric generating facility in the Village of Buchanan, Westchester County. (Preliminary Scoping Statement filed March 18, 2002).
