## Care & Share Energy Fund

The Care & Share Energy Fund is Niagara Mohawk Power Corporation's signature charity.

Care & Share is funded by contributions from the Niagara Mohawk shareholders, employees and the general public. The Niagara Mohawk Foundation underwrites all Care & Share administrative costs.

Managed by the American Red Cross, Care & Share meets the needs of individuals and households in the Niagara Mohawk service area who are facing difficult financial situations with nowhere else to turn for emergency energy assistance. The program serves households in which a member is 60 or older, or is disabled and receiving Supplemental Security Income or Social Security Disability, or is experiencing a medical emergency.

Since 1984, Care & Share has provided help for more than 26,000 upstate households regardless of the fuel used for heating.

To determine if you are eligible for the Care & Share program, please contact or visit the American Red Cross chapter office nearest you.

If you can help share the gift of warmth and would like to contribute to Care & Share, please print out and complete the [Care & Share Energy Fund Contribution Form](#)\*. Your contribution is tax deductible and every dollar you donate goes directly to someone in need.

Mail the completed form, along with your check made payable to "Care & Share Energy Fund," to:

Care & Share Energy Fund  
c/o American Red Cross  
220 Herald Place  
Syracuse, NY 13202

Thank you for your support of this worthwhile program!
