Maximum Security Collect Service: Maximum Security Collect service, which is also subject to N/T
billing availability, is Operator Station Collect or Person-to-Person Collect calls placed from
certain authorized institutional telephones presubscribed to the Company and completed to Customers
who have previously agreed to accept these calls and have pre-established Company accounts for
the service. Service under Maximum Security Collect Special Offerings will be provided whenever
prior arrangements have been made with host authorities.

Maximum Security Collect Customer accounts, under which the Customer is billed directly by, and
directly remits to, the Company, may be established under the following options:

Credit Card Account Option: The Customer must provide the Company the account number of a
commercial credit card accepted by the Company to which charges for the service will be charged.
Under this option, a Customer may receive up to six Maximum Security Collect calls per monthly
billing period, except as otherwise set forth in this Section.

Non-Credit Card Account Option: Payment for Company invoices must be by money order or
cashier's check. Under this option, a Customer may receive up to four Maximum Security Collect calls
per monthly billing period, except as otherwise set forth in this Section.

The following provisions apply to all Maximum Security Collect Customer accounts:

The Customer must provide the Company with the Customer's telephone number and associated
billing address

At the time of account establishment, the Customer must provide the Company prepayment for service
in an amount which equals or exceeds \$50, which will be applied to charges for the service.

A \$25 one-time non-recurring charge will apply at the time of account establishment. Upon Customer
request to the Company following establishment of an account and credit-worthiness acceptable to
the Company, the Customer may request that the Company increase the Customer's call threshold by
5 calls per month per request, up to 30 calls per month.

The Company may terminate a Customer's account 30 days following the payment due date of an
unpaid invoice.

4. Dedicated Leased Line Service

Dedicated Leased Line Service is offered in the form of discrete intercity communications facilities which are dedicated to the use of a specific customer and are billed at pre-determined fixed monthly rates. The customer may elect to have the Company provide local facilities, may provide his own, or may arrange for any combination thereof. Dedicated Leased Line Service is offered in the transmission modes listed below.

Dedicated Leased Line Services are available between the locations specified in the Company's Tariff FCC No. 1.

.01 Analog Service:

.011 Voice Grade Service is offered in increments of one or more voice grade channels, each with nominal bandwidth of 4 KHz. Such voice grade channels or combinations of voice grade channels may be utilized, on a permissive basis, for voice service, data service, facsimile service or combinations thereof, and may be interconnected with the facilities of other communications carriers and users for a customer's communications needs, such as voice connecting arrangements.

.012 Data Service is offered at approximate data speeds of 0-300, 1200, 2400, 4800, 7200 or 9600 bits per second (b.p.s.).

.013 Alternate Voice/Data Service is offered with the capability of voice grade communications and data communications on an alternate use basis. If required, the Company will provide a handset at each circuit end as part of this service.
